

# Can you help us?

Bodmin Road Church has served the Bransholme estate since 1968. We have 2 sites on the estate, one of which hosts our popular Charity Shop.

But we need help! We are receiving a large volume of high value items, which we sell via Ebay, Vinted and Amazon. This year our annual online sales will exceed £12,000. All this money is helping us to fund vital community ministries and outreach. But we have more donations than we can handle.

We need volunteers who can LIST items on Ebay and Vinted for us. This can be done from your own home or in our Charity Shop and we can train you. Even just a couple of hours a week would make a great difference.

If we could find someone who could actually take a lead managing and developing our online sales, that would be even more amazing. This role would suit someone retired with a little time and some online selling experience.

It's great fun and we have a great team here. People like Joyce, pictured above in our Charity Shop. You would be facilitating the advance of God's Kingdom by helping us raise funds that get ploughed straight back into ministry.
