

DIOCESE OF
YORK

The Right Revd Dr Eleanor Sanderson
Bishop of Hull

November 2024

Hello

For the last two years during Advent, different parts of our church here in Hull have been prayer walking and praying the words that the Angels speak in scripture as a way of praying for our city. Last year there was the Walking with Angels Advent series held at a church in a different part of the city each week.

This year Heart for Hull, supported by the Bishop of Hull, and Believe in Hull invite church members to prayer walk their own neighbourhood or the community around and including their church.

We have created this Advent Prayer journal using some of the artwork created from 2023 along with the bible verses to encourage people to capture their prayers and ideas that can come out of that prayer walking experience.

A pdf of the journal is attached so that copies can be printed and our intention is also to deliver a couple of printed copies which people could journal in together on a prayer walk.

As we walk and pray, we will be remembering the ministry of angels to the people of God and inviting each other to pray some of the words recorded in scripture from the angels as our own words of prayer and intercession for our city.

Do please pass on the Journal pdf and if you have any questions or ideas that your church would like to share do please email Gillian Shepherd, Heart for Hull Enabler at gillian.shepherd@yorkdiocese.org

Yours in Christ

The Bishop of Hull and Believe in Hull
