EUROPE REGION

Regional Director: Steve Morgan

Welcome to the October 2024 edition of the
Mission to Seafarers Monthly Prayer Diary.

This month we are praying for the
work in the Europe Region.

The Prayer requests have been prepared
by the Regional Director, Steve Morgan
and his team.

Steve Morgan Writes:

The Europe region covers the whole of the continent, from Ireland east to the Black Sea and from Scotland south to Gibraltar. We are a region with some of the largest ports in the world through to smaller local ports with regular visitors. We are diverse geographically and culturally, but united in our core purpose of showing love to seafarers in the name of Jesus.
