

# Spurn Pilgrimage Celebrate Saint Wilgils

Saturday 6th June 2026

Led by Philip West and Bishop Eleanor

Wilgils was a 7th century hermit on the Spurn Peninsula, and the father of St. Willibrord, missionary to the Netherlands. We will walk to the end of the peninsula to celebrate St. Wilgils in the beautiful setting of Spurn Point, between the Humber Estuary and the North Sea. Anyone very welcome.
